Job Announcement

Oversees compliance of affordable projects financed with bonds and other local, state and federal housing programs. Coordinates with third-party developers, lenders, trustees and other financial institutions. Conducts periodic portfolio analysis of local agency loans and real assets to determine refinance and restructuring opportunities. Assists the Real Estate Finance staff in developing, structuring, and implementing financing plans for the new construction and rehabilitation of affordable housing projects. Supports the underwriting and analysis of the Fairfax County Redevelopment and Housing Authority (FCRHA) bond issuances and loans. Coordinates activities on local and federal lending and grant programs, and ensures that all program requirements are met. This position works under the direction and supervision of the Director of Real Estate Finance and Grants Management.

Illustrative Duties

Recommends program changes for new or revised programs, systems, procedures, policies and methods of operation;
Coordinates, develops, implements and monitors program goals, strategies, plans, policies and procedures to ensure financial and programmatic compliance with federal, state and local regulations;
Provides day-to-day supervision of the various housing/community development projects, including setting short term goals, assigning tasks, and organizing work;
Prepares and presents reports on matters related to federal, state, local, private, non-profit programs and/or FCRHA/HUD and Department of Housing and Community Development initiatives;
Prepares and delivers presentations on HCD projects and proposals, responding to specific questions in dealings with the FCRHA, Board of Supervisors, various committees, the Planning Commission, federal and state agencies, County departments and the public;

Required Knowledge Skills and Abilities

Advanced knowledge of applicable federal, state and local regulations;
Advanced knowledge of the theories, concepts, principles and practices of the housing development process, housing and real estate finance, or services for low income persons;
Experience researching and analyzing funding sources for acquisition, development, and rehabilitation of housing and government facilities;
Ability to understand, interpret, explain, and apply applicable federal, state, and local laws and regulations;
Ability to manage diversified and complex housing and community development projects;
Ability to communicate effectively in verbal, written and graphic forms;
Ability to establish and maintain effective working relationships with public officials, private developers and contractors, citizen groups and community residents;
Ability to research, collect and analyze data and information;
Ability to lead multiple projects from concept through implementation;
Ability to coordinate project participants from multiple organizations, motivating them toward project completion;
Ability to prepare clear and concise reports.

Employment Standards
