Housing Development Finance Professional Certification Series

Build Capacity with NDC's Four-Course Professional Certification

The National Development Council's Housing Development Finance Professional (HDFP) Certification Program thoroughly examines the practice of affordable housing finance and development. Participants learn the steps of the housing development process, the techniques used to analyze and structure financing for home ownership and rental housing deals, and the problem solving and negotiating skills needed to make complicated deals feasible. Topics include the housing development process, Historic Rehabilitation and Low-Income Housing Tax Credits, negotiating, problem solving, deal structuring and more!
