Dear Residents,

Civic engagement is a top priority for [PROPERTY NAME] and it starts with awareness, education, and participation. That is why I am proud to announce that we are partnering with HAND and When We All Vote to ensure all of our community members are registered to vote in the upcoming election. When We All Vote is a non-profit, non-partisan organization launched by Michelle Obama to change the culture around voting, increase participation in every election, and help close the race and age voting gap. **I’m writing today to ensure that YOU are registered and ready to vote in 2020.**

Please take 5 minutes to check your voter registration status here: [weall.vote/hub](weall.vote/hub)

It’s a one-stop-shop, so if you need to, you can register to vote, make sure you are registered at the right address and request an absentee ballot, which allows you to vote by mail. **We value your health and safety, and highly encourage you to vote by mail if you have not already.**

**IMPORTANT DEADLINES:**
