

Same celebration, new name.
The HAND Annual Meeting is now HAND Honors.

We can't wait to celebrate you!

Continuing the tradition of HAND's Annual Meeting, we welcome HAND members and friends to come together at the 32nd Annual HAND Honors. Join us for an evening of inspiration and connection where you'll cultivate partnerships with changemakers and celebrate the accomplishments of affordable housing industry leaders.

We see you. We see the great obstacles that our communities face from day to day in the midst of unprecedented housing affordability and inventory challenges. We also see the work you are doing to build first-class homes that are affordable to our neighbors, the attention you put into your resident services programming and the impact of creating space for residents to thrive. Most of all, we see the incredible opportunities in front of us to work together towards a more equitable region.

During HAND Honors, we will recognize the outstanding triumphs of our Housing Achievement Awardees and the Children's Essay Contest winner. This year we are also excited to launch the GenerationHAND Scholarship, which will benefit local college-bound high school seniors. Don't miss this special occasion celebrating our members who are advancing our communities!
