

Katie Bergfeld, District of Columbia Department of Energy & Environment

Katie Bergfeld is the Branch Chief for Building Performance and Enforcement at the Department of Energy & Environment. Coming to the agency with 10 years of experience in green building, she currently oversees all facets of the District's benchmarking program, as well as the development of the District's new building energy performance standards that were set forth in the Clean Energy DC Omnibus Act of 2018. Prior to joining DOEE, Katie worked as a Program Specialist with the U.S. Green Building Council, where she worked in the LEED Certification Department.
