

Recruiting for Open Position

The Maryland Department of Housing and Community Development (DHCD) is hiring! This position will be time-limited contractual positions of at least 12 months and possibly through September 2025. The new team members will have the opportunity to work with and learn from a strong group of mission-driven and client-focused leaders and colleagues.

The Department is looking for candidates for the following position.

HCD Financial Analyst II – Salary Commensurate with Experience (Grade 19) – This position serves as a Fund Analyst in the Division of Finance and Administration. The unit is responsible for managing and accurately accounting for special and federal awards received by DHCD by working closely with program staff on new grant applications or other municipal awards, loan servicing of State assets, portfolio analysis including risk management and calculation of projected losses, State budget formulation and management, coordination with program and governmental agencies, reconciliations, and reporting. This position is needed to track, monitor, reconcile, report and other duties related to the implementation of ERAP.

Please submit a letter of interest and resume for the position above to
