

Recruiting for Open Position

The Maryland Department of Housing and Community Development (DHCD) is hiring! This position will be time-limited contractual positions of at least 12 months and possibly through September 2025. The new team members will have the opportunity to work with and learn from a strong group of mission-driven and client-focused leaders and colleagues.

The Department is looking for candidates for the following position.

Project Manager – Salary Commensurate with Experience (Grade 17) – The Department is looking for Project Managers to manage a portfolio of five to six grantees and their respective subgrantees. The position supports grantees through capacity building, identifies technical assistance opportunities, and ensures compliance with Departmental standards, as well as federal and state regulatory and statutory requirements. This position also reviews and approves disbursement requests against project terms and funding guidelines and assists with the preparation of grant documents.

Please submit a letter of interest and resume for the positions above to erap.dhcd@maryland.gov.
