

## **Recruiting for Open Position**

The Maryland Department of Housing and Community Development (DHCD) is hiring! This position will be time-limited contractual positions of at least 12 months and possibly through September 2025. The new team members will have the opportunity to work with and learn from a strong group of mission-driven and client-focused leaders and colleagues.

The Department is looking for candidates for the following position.

**Project Manager/Fiscal – Salary Commensurate with Experience (Grade 17)** – This is a professional contractual position serving as a financial compliance project manager in the Office of Community Services Programs within the Department’s Division of Neighborhood Revitalization. This position is responsible for performing the full range of financial and compliance auditing duties for funding awarded to local government agencies and non-profit organizations through the Community Services Block Grant (CSBG) Program, Emergency Solutions Grant (ESG) Program, and the Emergency Rental Assistance Program (ERAP). This position also ensures awardee compliance with State funding and financial requirements.

**Please submit a letter of interest and resume for the positions above to [erap.dhcd@maryland.gov](mailto:erap.dhcd@maryland.gov).**
