

The Prince George's County Government's Redevelopment Authority is seeking qualified applicants to fill a Real Estate Development Project and Program Manager (Administrative Specialist 1G) position, grade G29.

Closing Date April 8th, 2024.

About the Position:

The Redevelopment Authority of Prince George's County is seeking a qualified applicant to fill a vacant Real Estate Development Project & Program Manager position, Grade G29. This position is professional management level administrative work whereby the incumbent is responsible for performing a range of tasks directly involved in the administration and management of real estate redevelopment programs and projects throughout Prince George' County. Excellent hard and soft skills are required to effectively manage and administer RDA programs and real estate development activities, including but not limited to collaborating Government agencies staff, private citizens, vendors, and contractors, administering identified programs within the agency, and assisting senior staff in the management of real estate development projects. Work performance is evaluated in terms of effective and timely management and administration of assigned program objectives and successful completion of assigned tasks.
