

Wesley Housing Development Corporation Job Description

Job Title: Project Manager or Senior Supervising Project Manager, Real Estate

Department: Real Estate Development

Reports To: Vice President of Real Estate Development

Supervisory Role: Maybe

FLSA Status: Exempt (salaried)

Location: Alexandria, VA – Hybrid

Company Overview

Wesley Housing, a leading nonprofit developer in Northern Virginia and the District of Columbia, has worked to provide affordable rental housing for individuals and families for nearly 50 years. Since its founding, Wesley Housing has emerged as a premier developer of affordable housing. Wesley Housing has acquired or developed over 2,900 rental units, providing quality housing for thousands of at-risk individuals and families each year. Wesley Housing supplements housing with supportive services to build up the lives of its residents, including low- and moderate-income families, older adults, and individuals with disabilities and/or chronic disease. Wesley Housing's headquarters are located in Alexandria, VA (Fairfax County). For more information, please visit www.wesleyhousing.org and follow @WesleyHousing on social media.

Job Summary

The Senior Project Manager plays a critical role in the execution of Real Estate Development (RED) goals and objectives. This position works extensively with external and internal partners to support the organization's success in providing affordable housing. The Senior Project Manager will manage all aspects of the development cycle for a number of affordable housing projects, from site control and entitlement through construction completion and stabilization. The Senior Project Manager will also be responsible for new business development including feasibility analysis and proposal responses to RFPs. The Senior Project Manager will have responsibility for the full range of tasks associated with each assigned project from initial concept through lease-up and stabilization.

Essential Functions:

- Conduct project assessments and make recommendations on project feasibility relating to financing, marketability, operational and physical viability
- Develop detailed cost analyses including sources and uses and operating pro formas as well as financing alternatives, including equity, acquisition, construction and permanent debt options for selection and approval
- Carry out other development activities including but not limited to: monitoring and coordinating development and design activities; oversight of general contractors and other consultants; managing community and tenant relations; and execution of acquisition, construction, and permanent financing
