

## What makes a good team captain?

As team captain, you will be required to register your team with TriviaHub's quiz system, and then record your team's answers. Here are some guidelines for how to be a good team captain!

- Tech savvy - You will need to toggle between zoom and your browser in order to fill out the answer sheet.
- Laptop or desktop computer - Toggling between zoom and our browser-based answer sheet is so much easier on a proper computer as opposed to a tablet or phone.
- Stick around! - Please be sure you will be around for the entire event! If you leave, how will your team submit their answers?
- Stable internet connection - Same as above, if you drop out, you'll leave your teammates high and dry!
- Google Chrome browser preferred - Please use a newer, updated browser. No Internet Explorer!
